

Poster Presentation Guidelines:

- Print a high-resolution copy of your poster to present onsite
- Attend and present a printed poster at the meeting

Your poster should include:

- The paper title and all authors at the top of the poster
- A brief introduction, goals, experimental details, conclusions, and references; presented in a logical and clear sequence
- Explanations for each graph, picture, and table

Size, fonts, and color:

- The maximum poster size is A0 or 90 cm width X 120 cm height
- Use easily read type.
- Choose your colors to provide strong contrast and avoid pairing red and green elements to assist those with red-green color blindness

Set up your poster in person

- Bring your high-resolution printed poster with you to the meeting
- Check the individual conference program to find your poster session location and timing
- Set up your printed poster at least 15 minutes before the ABB2023 opening ceremony start
- Find your paper number and put up your printed poster in the designated space
- Push pins, tape, or Velcro will be provided to hang your poster

Present your poster in person

- Each poster must have a presenter
- Poster presenters are required to stand by the poster during the scheduled poster session to answer questions from attendees
- Presenters who have not placed their poster(s) on their assigned board at least 15 minutes prior to the start of the conference, and for the duration of the poster session, will be considered a "no show," and their abstract and full paper will not be published.
- Presenters must remove their posters at the end of the conference

Certificate:

- Certifications will be issued by the Organizing Committee. All presenters will receive the certificates.

Award:

- Kindly noted that the conference will present only one award for the best poster presentation.
